LB 803

LB 803.

CLERK: Madam Chair, 803 was introduced by Senator Goodrich. (Title read.) It was first read in January of this year, referred to Judiciary Committee, advanced to General File. There are committee amendments pending.

SENATOR LABEDZ: Senator Goodrich. Senator Beutler, the committee amendments.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, 803 is basically a proposal to expand the jury list from simply those who are registered voters to include those who are licensed to drive motor vehicles in the state and the committee amendment is essentially a technical amendment which requires the Department of Motor Vehicles to provide the counties with lists of people who are licensed motor vehicle operators and that is the only thing that the committee amendment does. I would ask the adoption of the committee amendment.

SENATOR LABEDZ: Senator Goodrich, would you like to speak on the committee amendment?

SENATOR GOODRICH: Yes, Madam President. The only thing that Senator Beutler left out was the list of drivers shall be those 19 years of age or over so that we don't get minors trying to...you know, on the list to be selected from for jury duty. Other than that, I wholeheartedly support the committee amendment.

SENATOR LABEDZ: Senator Beutler, there are no other lights on. Would you like to close on the committee amendment? We are voting now on the committee amendments to LB 803. All those supporting the committee amendments vote aye, opposed nay.

CLERK: Senator Labeledz voting yes.

SENATOR LABEDZ: Have you voted? Record.

CLERK: 26 ayes, 0 nays on adoption of the committee
